

This recipe looks like Fall!

### **Aunt Annie's Calicoe Beans**

1 large can baked beans  
1 can butter beans, drained  
1 can kidney beans, drained  
1 medium onion, chopped  
½ cup catsup  
¼ cup brown sugar  
2 tablespoons vinegar  
1 tablespoon mustard

Combine all ingredients in greased Cady Clay Works casserole. Bake at 350° for 45 minutes. Remember to start with a cold oven when cooking in handmade pottery.

#### **Beth's Tips:**

- Can also be made in a crock pot and cooked all day.
- Make a double batch! Tastes great reheated and freezes well.
