

Evie Thorsen made this for a spring brunch at the lake in Eau Claire, Wisconsin. Serve with a green salad and sunshine!

Pineapple Casserole

2 large cans chunk pineapple, drained
8 oz. can sliced water chestnuts, drained
½ cup brown sugar
¾ cup flour
1 cup shredded cheddar cheese

Put pineapple in greased pie plate. Mix remaining ingredients and pour over.

Top with 1 sleeve Ritz crackers, crushed, and 1/2 stick melted butter.

Bake at 350° for 25 minutes. Serve hot. Remember to start with a cold oven when cooking in handmade pottery.
